BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

ry

In l^y G no 6905-6 & 9 Feb: 10
26217-09

The President was requested to
submit an immediate report
regarding the levy of fees for the

Serial
No.

temporary use of cart stands.
An ordinary meeting of the
St Board had been fixed
to the 21st Feb 1910. As no an
immediate report has as yet
been received ^{on the subject} the President
may be requested to expedite
the submission of his report

2) Submitted with draft
22/2/10 22.2.10. 22/2/10

4) To President Nassan N°
7295 & 22-2-1910. Requests
the President to submit the
report called for in the above
last order referred to.

2 5) From No - N° 4138 & 23.2.1910
(D 5900). Requests sanction to
levy a fee of ~~Rs~~ of 3 pies on
pilgrims, to levy fees on shops &
& toll on carts coming to
Srananahelagola in the
Channarayana Patna Taluk on
the occasion of the ensuing
mahamastakabhishikam
ceremony.

6) As the question of levy of

Serial
No.

fees on pilgrims under section 42 of the Mysore Police Regn has to be dealt with in Br III an extract from the letter paras 1 & 2 has been sent to that Br for ~~further~~ necessary action.

7) The ceremony lasts from 14th March to 5th April 1910 and the President recommends the levy of fees to from the 5th March to 15th April 1910. About 50000 people are expected to assemble at Sravanabelagola on the occasion.

8) The levy of fees is apparently a council matter.

9) Submitted for orders. The May advance or loan asked for may be 2572/10 made from D. F. to be adjusted for ~~proceeds~~ later on.

5/25/10. 10) The Deputy Commr proposes to levy a tax on pilgrims and also toll ~~on~~ on conveyances laden and empty and on laden animals subject to the condition

Serial
No.

that those who are occupants of a conveyance on which a toll is paid will be exempted from payment of the pilgrim tax. He further proposes that the right to collect the tax and toll be leased out. It is a point for consideration whether the levy of both toll and pilgrim tax is called for and the levy of the latter alone is not enough and whether the arrangement proposed may not cause annoyance and inconvenience to the public. It has also to be considered whether there is sufficient time for leasing out the right to collect the pilgrim tax and toll.

11) It is also proposed to levy a fee on village sites allotted for putting up temporary sheds at 8 annas a site, to sell the right of collecting and removing manure from cart-stands and to levy fees on shops at certain rates. ~~The levies for the fees~~

Serial
No.

The first two of these proposals are unobjectionable but the third seems to require a little consideration. Sravanabalagola is ~~now~~ a Union. Under para 45 of the Rules under the L. B. Regn, a tax is levied therein at certain rates on houses (including shops and warehouses) and no mohata ^{it seems} ~~ca~~ tax can be separately levied on such houses in respect of shops which may be temporarily opened therein. What would be justifiable is the levy of a fee or rent at rates fixed by the Dist. Board on shops belonging to them or on sites belonging to them and used as shops.

12) The establishment asked for may be sanctioned and so also the other items of expenditure proposed.

13) The Deputy Commr asks for a loan of Rs 2000. This may perhaps be sanctioned.

Secy) 26.2.10. MU

The mohata
m/s contemplate
a double levy when
the shop & warehouse
have separate front
doors, I believe. The
shops with in this case
be generally ^{about}
on the ^{of} house.

His Highness the Maharaja of Mysore,

General and Revenue Department,

Bangalore.

Sir,

With reference to Government Proceedings No. 6905-

-6 /ML. 217-09 dated the 9th. February 1910, directing that the proposal to constitute the local area of Shravanabelgola into a periodical Municipality on the occasion of the Mastha-kabhishekam festival at the place, cannot be sanctioned and requesting me to take necessary action under section 42 of the Mysore Police Regulation, and expressing that the District Board is competent to levy fees on cart stands &c, on the occasion. I have the honour to state that I propose a levy of pilgrim fee of 3 pies from each adult person entering Shravanabelgola on foot, and that a receipt be granted for each payment which will obviate double levy. With a view to prevent evasion I propose to sell the right of collection of this fee.

2. As regards those persons entering Shravanabelgola in conveyances, the District Board, at the meeting held on the 21st. Instant, have resolved to levy toll on conveyances and laden animals at the marginally noted rates, subject to the condition that there will be no levy of any fee on persons who are occupants of conveyances on which toll is paid. It is

proposed

3. The District Board have further resolved to levy a fee on village sites, allotted for putting up temporary sheds, at 8 annas a site, to sell the right of collecting and removing manure from cart stands, and to levy fees on markets of the following classes at the rates noted against each:-

4th. class, Ditto on a smaller scale... 3-0-0

Copy of the Board's resolution is enclosed for reference

4. The total amount of receipts under all heads is estimated at Rs2,000/-, and the Conservancy and supervision charges as also charges in respect of lighting, formation of roads, drains &c are estimated at Rs2,000/-. The enclosed statement, furnishes the details of income and expenditure. A loan of Rs2,000/- from State Funds is necessary as stated in my letter No. 338/s dated 13th. January 1910, which would be recouped from realisations under the above mentioned items..

5. As the date of the commencement of the festival is fast approaching and as the concourse of people is expected even earlier, I request that you will be so good as to obtain and communicate the early sanction of Government to the above proposals to take effect from the 5th.
